Platform and Resolutions.

The Republican Party of Lincoln County, through its delegates in Convention assembled, ever mindful of the record of the Republican party, keeping in mind the noble works in restoring and redeeming the Union of the States, the steady increase upon the public debt, the exalted credit of the nation—due alone to the great labors of that party; therefore, in view of this record of justice and progress be it by this Convention

Resolved, That we reaffirm our allegiance to the principles of the Republican Party, and endorse both the platform adopted by the recent Republican National Convention and the Republican State Convention of this State.

Resolved, That in the nominees for President and Vice President—Rutherford B. Hayes and William A. Wheeler—we recognize all the attributes which make them worthy of the highest honors which 38 States can confer, and we tender to them unwavering allegiance and earnest support.

Resolved, That we oppose any repeal of the bullion tax, but favor such modifications in taxation as shall reduce the amount of revenue to be collected to a sum only sufficient to meet the expenses of government.

Resolved, That the public schools of the State are our greatest treasure. We demand for them the fullest privileges and the amplest revenue under the laws, and so insist that no part of the funds set aside for their support shall upon any pretext be diverted from its legitimate use.

Resolved, That the deplorable condition of our country credit requires speedy and effective legislation to place it upon a sound basis, and we demand that candidates for the Senate and Assembly pledge themselves, if elected, to use all legitimate means to secure such legislation.

Resolved, That the steady encroachments of the stockmen with their hands upon the agricultural interests of this county is destruction to those interests; that the farmers and ranchers of this county must be protected in their rights and property. To that end we demand of our Senators and Assemblymen, if elected, to use all means in their power to effect the passage of an Act that will curtail the evil and secure to the husbandman the products of his toil.

Democratic Platform, Adopted at the Democratic County Convention, held at Pioche, October 5th, 1876.

Resolved, That we indorse the platform adopted by the Democratic National Convention held in St. Louis on the 28th of June, 1876, and pledge our enthusiastic support to the nominees of the Convention, Samuel J. Tilden for President and Thomas A. Hendricks for Vice President.

Resolved, That we heartily indorse the platform of the Democratic State Convention held in Virginia City on the 28th of August, 1876, and pledge to the nominees of the Convention our hearty support.

Resolved, That we are opposed to any and all sectarian interference with our public schools and school funds, and we are in favor of such legislation only as shall maintain the public school fund intact for the maintenance of the public schools for all, unimpaired and untrammelled by any sect or sectarian influence for all time to come.

Resolved, That we are opposed to the exemption of bullion from taxation, and favor such legislation only as shall subject all property, including the net proceeds of the mine, to a just taxation, and which shall be sufficient to defray the necessary expenses of the county and municipal governments, honestly and economically administered, with no exemption or special privileges to any.

Resolved, That we are in favor of such reduction of the salaries and fees of State, county and municipal officials as is consistent with the public interest and welfare.

Resolved, That we demand a pledge of our nominees for the Senate and Assembly that they, if elected, use every legitimate means to secure such action of the Legislature as shall be proper and legal to influence the General Government to change and modify the treaty now existing with the Empire of China, known as "Burlingame Treaty," as shall heretofore effectually and forever prevent any further immigration of Chinese to this coast. And we call upon every citizen and resident of this coast whether in office or otherwise, to use all lawful means in his power to remove this Mongolian incubus from American enterprises and industries.

Resolved, That we require a pledge of our nominees for the Senate and Assembly that, if elected, they will at the earliest day practicable take such steps and proceedings as are within the constitutional powers of the Legislature of this State, to influence Congress to make the silver dollar—Nevada's great staple—a legal tender to an unlimited amount.

Resolved, That we denounce as totally contrary to the principles of the constitution of the United States every attempt to proscribe or outcast any portion of our citizens on account of their religion or birth.

Resolved, That every candidate seeking nomination before this Convention shall subscribe to and indorse the foregoing resolutions.
